Subject: Immediate Compliance with the Advisory on Co-Ed Hostels

Dear In charges,

This letter serves as a final notice regarding the management and operation of hostels for students of Don Bosco Academy in Mccluskiegunj. It has come to our attention that despite previous advisories, some hostels continue to operate on a co-educational basis, accommodating both boys and girls within the same facility. This practice is strictly against the policy outlined by the school management, which prohibits co-educational hostels.

We remind you that this policy is in place to ensure the safety, security, and well-being of all students. As per the advisory, all hostels are required to transition to either an all-boys or all-girls hostel. The deadline for this compliance is set for 30th September, 2024.

We urge all hostels in charges to adhere to this directive promptly and ensure that appropriate measures are taken to realign their facilities according to the established guidelines.

Thank you for your cooperation in this matter.
